Please Check [checked] if you are interested in any other programs we have below.

[] ** McGruff House - A safe harbor for children to come. (** requires a Police background check.)

[] Operation Identification - Engrave items of value in case of theft. The engraver can be checked out from the Crime Prevention Unit by your Coordinator.

[] Home Security Survey - Conducted by the Chesapeake Police Dept. Crime Prevention Unit to identify weaknesses in your home security and identify ways to better safeguard your property.

If you wish to join our Neighborhood Watch please fill out the form above. Your information will be processed by your Neighborhood Watch Coordinator. ALL information is kept confidential, only your Neighborhood Watch Coordinator, and the Chesapeake Police Department Crime Prevention Unit (CPDCPU) will have access to your information. Additionally, your information will be added to the Chesapeake Police Department Reverse 911 System. This system warns Neighborhood Watch Members to be on the lookout for criminal activities that were reported in your residential areas. All Member information is maintained by the CPDCPU.
